LION from Sveti Nikole is a successful company producing quality confectionary products. LION started the production of chocolate and chocolate cream to later expand production of biscuits and small cakes.

The manufacturing process is HACCP, ISO and IFS certificated. LION products are rewarded with gold medals at many fairs and festivals. Besides the domestic market, the products of LION are distributed in many countries of the region and Europe. The volume of production of confectionery is with a plan for steady growth and increased production, the conquest of new markets and expanding range of products.

Great companies are built on the principle to do the right thing every day.
The treatment of business partners, customers and employees should be honest,
fair and with respect.

Show respect for employees.

Doing business with integrity.

Taking responsibility for our actions.

Providing the highest quality products.

Focus on productivity at every level of business.

Pursuing innovation and support every day.

In LION employees are treated with dignity and respect.
LION aim to provide a safe working environment for its
employees, to ensure fair remuneration for services rendered.
LION stands for honesty, sincerity and integrity.
